Edith Creek Primary School

Around Our School

Using School Equipment & Facilities

School equipment may be used by parents and community groups upon request. Where costs are incurred, e.g. laminating or photocopying, a charge is required to cover costs. The public is also welcome to use facilities such as the tennis courts and play equipment out of school hours. All we ask is that users take responsibility for children and supervise at all times.

Multi-Purpose Building

The main multi-purpose room is used for various purposes including Gross motor skills programs, and the porta-pool for Kinder to Grade 2 Water Orientation.

The building also includes:

- Groundsman’s workshop
- Small room for PE equipment
- Small room for art storeroom
- A classroom used for:
  - Art classes
