Edith Creek Primary School

Our Uniform

Edith Creek Primary expects the wearing of a school uniform, which is endorsed and supported by the School Association. It has been found that the wearing of a school uniform brings with it many benefits including promotion of the school’s public image; an enhanced school spirit; an increase in convenience and cost-saving for parents. We believe that the wearing of our school uniform presents a good image for the school and easily identifies our students and our school.

Our Uniform

Our uniform can be purchased through the school and is sold at cost price. Clean secondhand items are also available. Uniform order forms are sent out in fourth term so ordering can be done for the next school year. Spare uniform items are available at the school throughout the year. For enquiries regarding uniforms phone the school on 6456 4192 or call into the school office and see Mardi.

Hats

Brown hats are part of the school uniform and children are required to wear one in Term 1 and 4 and occasionally in Term 2 & 3 when UV ratings are above 3. Hats are available through the school office.

The school uniform is detailed below:

- Fleecy Jacket (brown with school logo)
- Puffer Jacket (black with school logo)
- Polo Shirt - short sleeve (brown and yellow with school logo)
- Track Pants (black with EC logo)
- Shorts (black with EC logo)
- Summer Dress
- Hats (brown, wide brimmed)

Note: a plain black or white long sleeve top may be worn underneath the polo top if an additional layer is required during the colder months.

Students will not be permitted to participate and represent our school when attending events outside the school unless they are wearing full school uniform.
