Edith Creek Primary School
Personal Property - Students

Mobile Phones and other Electronic Devices
Students can bring these devices to school but they must be left at the office. This is to ensure that these expensive items are kept safe. These devices can also become a distraction in class. If you need to get a message to your child you can contact the school office on 64564192. Note: It is the child’s responsibility to drop off the device at the office in the morning and collect it again at the end of the day. For privacy reasons, mobile phones are NOT to be used for taking photos or videos of other students. If this occurs, the student will be asked to delete these files.

Toy Guns and Toy Weapons
Students can bring these for show and tell but these items are not permitted in the playground.

Toys in the Playground
Items such as skateboards, roller blades, pogo sticks and any other wheel or spring based toys are not permitted in the playground. The school has a duty of care to all students. Students using these items can injure themselves or others. Your child can bring other toys to school on the condition that;

- The school takes no responsibility for the loss or damage of the item.
- They need to ask their teacher if they can take it out at break time.
- The teacher on duty in the playground at the time has the final say. If the item is being used in an unsafe manor or becomes the cause of a dispute the duty teacher can ask the student to take the item inside.
