Levies
A composite levy is charged to help cover the cost of classroom materials, equipment, cultural performances, minor excursions, books, stationery etc. Payment of the composite levy and uniform sales take place before school commences each year. Instalment payment options are available and can be organised by contacting either the office or the Principal. Should you pay by instalments levies must be paid in full by the end of Term 1.
Parents will be notified towards the end of the year of the levy charge due the following February. Additional charges may occasionally be made for larger excursions and sporting events.

Financial Assistance
Parents who have limited family income may apply through the school for assistance with books and materials from the Department of Education under the Student Assistance Scheme. Application forms may be obtained from the school office.
Students who qualify under the Student Assistance Scheme are not required to pay any levy.

School Funding
Funds are provided by the Department of Education, Commonwealth Government, Parents & Friends and the leasing of the school farm.
